(ii) Advance releases of free sale sugar have been made to sugar mills requiring the same to enable them to clear the cane price dues of the farmers and to reduce their stocks. During

the season 2001-2002, the sugar mills of Karnataka have been granted advance free sale quota to the tune of 31500 MTs.

(iii) The levy obligation of domestic sugar factories was reduced from 40% to 30% with effect from 01.01.2000 and, subsequently, to 15% with effect from 01.02.2001; this was further reduced to 10% with effect from 01.03.2002 and has enabled the sugar factories to sell more sugar under free sale quota in the open market to obtain better realization.

(iv) The quantitative ceiling on export of sugar has been removed. During the sugar season 2001 -20p2, the sugar factories of Karnataka exported a quantity of 2.33 lakh tonnes as against 1.28 lakh tonnes during the sugar season 2000-2001.
